VOLUME LXI. FIRST IN SERVICE TO READERS ANTIOCH, ILLINOIS, THURSDAY, SEPTEMBER 12, 1946 FIRST IN RESULTS TO ADVERTISERS NUMBER 6

Legion, Auxiliary Install, Appoint Year's Officers

Joint Services Friday are Attended by Tenth Dist. Officers

Through a joint service the American Legion and auxiliary installed officers Friday evening.

Everett Hatfield, a World War II veteran, is commander of the Legion post succeeding F. A. Swenson, and Mrs. Frank Kennedy is president of the auxiliary taking the place of Mrs. Anton Johnson.

Joseph J. Nemanich, 10th district commander served as installing officer for the post and administered the oath of office to the new commander and the following staff:

Edward J. Frazier, senior vice commander; Robert E. Taylor, junior vice commander; Jeanette Keeney, finance officer; Edward H. Janneke, chaplain; Richard Echert, sergeant-at-arms, and Charles J. Cermak, adjutant.

Officers Appointed

Among officers appointed for the coming year by the new commander are:

Lorraine Pape, historian; Richard Echert, athletics; Roman B. Vos, Americanism; Frank E. Kennedy, Jr., Boy's State and Boy Scouts; Dr. George W. Jensen, community service; James McMillen, conservation; Lorraine Pape, child welfare.

F. A. Swenson, entertainment; John W. Horan, employment; Edward J. Janneke, graves registration; Charles Cermak, Poppy day; Horan, post relations; Dr. D. N. Deering, publicity; Swenson, service officer; and Tony B. Sciacero, Sons of Legion.

Officers installed in the auxiliary were the new president; Deborah Van Patten, first vice president; Louise Kaufmann, second vice president; Carolyn Horan, secretary; Sadie Keeney, treasurer; Nellie Hanke, chaplain; Pearl Anderson, sergeant-at-arms.

Appointments Made

Appointed to office are: Pearl Anderson and Hazel Van Patten, color bearers; Charlene Jorgensen, Mildred Effinger, color guards; Agnes Glenn, loan fund; Deborah Van Patten, membership; Vene Cermak, publicity; Maud Johnson, legislation; Agnes Hills, rehabilitation; Alma Harnden, Americanism and community service; Dortha Runyard, child welfare.

Myrtle Klass, education of war orphans; Elsie Horton, veterans' employment; Eileen Levin, Poppy day; Elizabeth Webb, Pan-American; Anne Heath, sick call and relief; Betty Hanke, gold star; Helen Osmond, Junior activities; Evelyn Frazier, national defense and war activities.

Lillian Hand, Sine Laursen, and Margaret Gaston, finance; Maud Johnson, past presidents' parley, craft shop and national news; Ethel Zimmerman, radio and music; Anne Heath and Myrtle Klass, social; Carolyn Horan, Elizabeth Webb, and Helen Osmond, resolutions.

Out of town guests at the installation were Mrs. Ethel Bowen, of Lake Bluff, past 10th district director and past second division president; Mrs. Mabel Casperson, of Lake Forest; Mrs. Nitabelle Porter, of Lake Bluff, 10th dist. director; Mrs. Noel White, of Fox Lake, past 10th dist. director, and past second dist. president.

A buffet supper was served following the installation.

The regular business meeting of the auxiliary will be held at 8 p. m. Friday at the American Legion home on Ida Ave.

Waste Paper Drive To Benefit Grade School Athletes

All funds raised in the waste paper drive which will be conducted by members of the Grade school athletic teams beginning Tuesday, September 17, will be used for purchase of athletic equipment to be used at the school according to announcement made today.

Residents of Antioch and the community are asked to place waste paper in cartons or bundles and place it on the curb on Tuesday so that trucks may pick it up.

In past years the money derived from this activity has been used for other purposes but in this case the money will be used exclusively for maintenance of the athletic activity.

Mrs. G. R. Eaton, of Beach Grove road, was taken to Victory Memorial hospital, Waukegan, Sunday. Her condition is improved.

Wall-eye Pike Taken from Lake Marie, Weighed 10 1/4 lbs., 31 1/2 in. Long

An entry in the Field and Stream contest that will make a strong bid for a top prize is the ten and one-fourth pound wall-eyed pike caught by a member of a fishing party of three at Lake Marie.

Mr. and Mrs. Joseph Morris, of River Grove, Ill. and Clayton Whitey, of River Forest, Ill. caught the big fellow while fishing near Bill Terry's "Merry Glenn." The fish was 31 1/2 inches long and was caught through the use of a bamboo pole while the three were fishing for pan fish, using minnows.

Milton Anderson, well known fisherman from Lombard, caught a 7 1/2 pound northern pike in Camp Lake recently.

Says Home Bureau Greatest Educator of Women in State

Addressing presidents and vice presidents of the Lake County Home Bureau units Monday afternoon, Miss Mary Louise Chase, assistant state leader of the Home Economics extension of the University of Illinois, advised members of the bureau to take advantage of the information and training the organization has to offer.

Calling the Home Bureau the largest educational organization for women in Illinois she said:

"If you take advantage of all it has to offer, it will mean improved homes and communities."

Miss Chase gave her talk at a meeting of the Home Bureau officials with the county board at an advisory council meeting. They were guests of the county secretary, William Alkofer at a dessert luncheon at her home on Belvidere rd., in Grayslake.

After the luncheon and a get-acquainted period the meeting was convened by Mrs. Carl Fink, county president. She and Mrs. E. J. McDougall reported on the Illinois Home Bureau federation which they attended at Jacksonville recently.

Sponsor Memorial Fund
Reports were made by Mrs. John Stiehr, membership chairman; Mrs. William Boyesen, library chairman; Mrs. Meredith Hendricks, 4-H chairman, and Mrs. Clayton Tiffany, defense chairman. They outlined plans to work in their various departments for the coming fall and winter seasons.

Besides the regular education program the group decided to promote the 4-H Camp Memorial fund and "friendship boxes" to be sent to needy families in foreign countries.

All families were urged to mark their mail boxes clearly with their name. Town families were asked to make sure their house numbers were well displayed. This is a part of an extensive campaign to make it easier to identify homes.

Frostee Sno Factory Will Operate Monday After Short Vacation

The Frostee Sno factory, closed for two weeks, will re-open with full shifts Monday, Sept. 16.

Closed because of a delay in getting regular shipments of shipping containers, the arrival of a carload next week will permit production again.

The company has been assured of an adequate supply of materials required for full production throughout the balance of the season.

All previous employees have been requested to contact Fred Stahmer, factory superintendent.

State Bank Will Pay Ten Per Cent More on Deferred Certificates

The State Bank of Antioch has announced a payment of 10 per cent on deferred certificates effective Sept. 16.

The payment is the seventh that the bank has made over a period of years and fulfill to a greater extent the assurance of a 100 per cent repayment to the depositors.

So that the bank could continue its services to the community, depositors permitted the officials to freeze their money until such time when profits would permit payment. This is gradually taking place.

American Legion Teams End Successful Year on Baseball Diamond

The American Legion league team and independent team both finished the season on the long end of the won and lost column a summary of the season's play reveals.

The league team won 19 games, lost 9, and forfeited 2.

Pitchers for the season were Roccon, Quadenfeldt and Picius, and catchers were Schneider, Teson and Picius.

The team finished third place in the Lake Region Softball league. Dick Forbrick managed the team the first quarter of the season and Lee Nelson managed it the last three quarters.

The players are Effinger, Crawford, Picius, Schneider, Thompson, Scott, Rudy, Wells, Roccon, Madson, L. Koppen, J. Koppen, Schmidt, Quadenfeldt and Teson.

The suits were donated by C. E. Gaffey and C. R. Keulman, and the lights and diamond were furnished by the Antioch Township High school. A buffet luncheon and dance are planned by Nelson and Frazier for the players the latter part of the month.

The independent team won 17 games and lost 10. The pitchers for the season were Dunford and Quadenfeldt, and the catchers Fields and Teson. Pachay managed the team the first part of the season and Nelson the last part.

The players are F. Fields, G. Kaufmann, Robert Denman, W. Kaufmann, Rudy Corodo, Scott, Dale Barnstable, Gordon DeBore, Frank Kennedy, Jr., William Yucus, Ed. Dunford, R. Quadenfeldt and Hills.

Farm Institute Set for Oct. 4 at Lake Zurich

Exhibits, Program Planned For Annual Meeting of Farmers

The annual Farmers' institute for Lake county will be held Friday, Oct. 4, at the Elia Township High school and many farmers from this section of the county will attend.

Exhibits of food, garden produce, bakery goods and handwork will be placed on display during the forenoon.

During the afternoon two programs will be conducted, one in the gymnasium for the children under the direction of W. C. Petty, county school superintendent and the other for adults in the library.

Mrs. Willard Avery will speak at the adult meeting at 1:30 p. m. on "Getting Acquainted with the Other You."

The feature of the evening program at 8 o'clock in the auditorium will be a talk by Miss Bernice Clifton on "The Benefit of a Handicap." She will have her "Seeing Eye" dog, Karla, with her.

The High school band will play several numbers early in the program and Mr. and Mrs. Frank Bennett will again be present to lead in the community singing. Mr. Bennett has led community singing for a number of years at the Chicago and festival.

The public is invited.

Speedboat Racers Ready Craft for Meet Sunday At Bohemia Yacht Club

While repairmen are busy on Gus Gundstrom's "Viking" this week trying to get it into shape for its battle Sunday with Mel Buelow's "Chickie" and the Zender-Bliss Lycoming job, "Hex-II", others are readying their outboard motor boats for the Commodore regatta Sunday afternoon.

The Bohemia Yacht club is expected to be the scene of some interesting contests especially if the lake is not too rough.

It may take even the Hollenbeck trophy race the following week at Pistakee bay to settle some of the disputes.

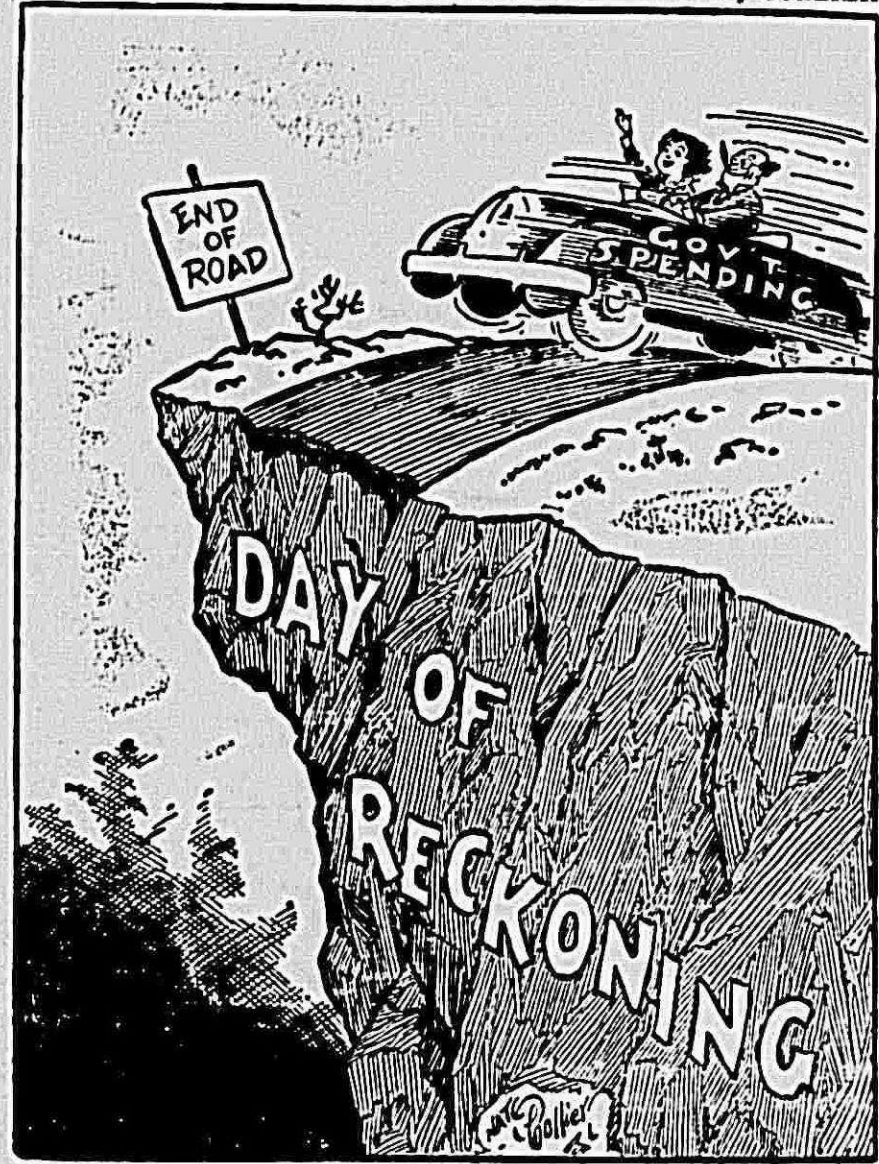

Last Sunday Bob Peterson, Victor Hofer and Chuck Finkle of the Chain O' Lakes boat club had their boats at the Kenosha races.

Corn Shows Damage from Light Frost Labor Day

Corn in the low lands around Antioch are showing the effects of a light frost on Labor day. The frost did damage all over Lake county but the damage was not as heavy as in Kane and McHenry counties where there was not the protection of Lake Michigan and other warm waters.

SOME OF THESE DAYS

By COLLIER

New Lake County Post Will Be Founded for Women Veterans Only

A new Lake county American Legion post, composed exclusively of women who have been honorably discharged from the army, navy, marines or coast guard, will be organized at a meeting to be held in the Waukegan Legion home at 8 p. m. Wednesday, Sept. 18.

Archie Bowen, of Lake Bluff, newly installed Tenth District Legion commander, is promoting the organization of the women's Legion post, and has asked Mrs. Mancel Talcott, 252 Stanley Ave., Waukegan, to assist in the organizing work. Mrs. Talcott, who served in the nurses corps of the army in World War I, has been a member of Homer Dahringer post of the Legion almost since its inception.

Mrs. Talcott is urging all former Wacs, Waves, Spars, Lady Marines, and the nurses who were members of the armed forces, to attend the organization meeting. All women from the armed services who have honorable discharges from the service are eligible for membership.

Officials of Cities In County to Seek Additional Revenue

President George B. Bartlett and members of the Antioch board of trustees will meet with other members of the Lake County Municipal league at 8 p. m., Sept. 19, in discussing state legislation that will mean revenues for cities and villages.

The meeting was called by Mayor Frank G. Wallin, of Waukegan, and will be held at the city hall in Waukegan.

Uppermost for consideration is legislation that will return to the cities and villages a portion of the sales tax. Mayor Wallin has suggested one cent of the two cents now assessed.

"In the last session of the legislature," wrote Wallin to President Bartlett, "the Butler bills and amendments were passed which it was said would give cities more financial assistance. But to the moment I personally cannot see how they will greatly help us until 1948, provided the court does not find them illegal. Meanwhile, what do we do for money to carry on our services which have greatly increased in cost."

Decisions at this meeting will be conveyed to Lake county legislators and to the Illinois Municipal league and they will be asked to seek legislation of a beneficial nature.

Home Talent Will Present Musical Comedy at Round Lake, Sept. 13, 14 and 15

"Waltz Time," a musical comedy in two acts will be presented at Harms hall in Round Lake on the evenings of Sept. 13, 14 and 15.

There are six men and nine women in the cast and a dancing chorus of nine girls. For the musical accompaniment an orchestra under the direction of H. Beringer will play. The chorus work is directed by J. M. Nelson and the over-all direction will be handled by Helen Teasdale.

Producers say the show has hauntingly beautiful melodies, clever comedy, singing and dancing and a story with a novel twist.

Village Board to Attend Municipal League Meeting

Will Defer Own Meeting a Week to Go to State Convention

Because President George B. Bartlett and members of the board of trustees will attend the annual convention of the Illinois Municipal league in Springfield, Sept. 31 to Oct. 2, the October 1 meeting of the village board will be postponed a week.

The league's convention this year is expected to be important because villages and cities are expecting the league to draw up legislation that will bring them financial relief.

One of the matters sure to appear will be the attempt to gain a share of the state sales tax for municipalities just as the motor sales tax is now distributed.

Smaller cities and villages will ask the state to collect and handle the money as they do in the case of the gasoline tax, but Mayor Kelly of Chicago, has asked that cities collect the tax.

Those who plan to attend the convention are President Bartlett, R. L. Murrie, clerk, Walter Scott, Arthur Rosenfeldt, and L. D. Powles.

Money for New School at St. Peter's Sought in Intensive Campaign

Following instructions to an architect to draw up preliminary plans, St. Peter's catholic church will resume its pre-war efforts to obtain a new eight-room school building.

The present plans, according to Father Flaherty, parish priest, call for the location of the school behind the church.

An intensive fall campaign to raise money to help finance the new parish school has been started by ladies of the parish.

A sewing group will meet Wednesday, Sept. 18 at St. Peter's hall between 2 and 3 o'clock to sew items for the fall bazaar, and an appeal has been made to members of the church to be present and bring their friends to make the work successful.

It was impressed upon members that they must put forth every effort to raise money for the project. The church itself is nearing freedom from debt.

Lives of Three are Endangered in Upset Of Sailboat, Tuesday

The Antioch Rescue squad was called to Fox Lake near the Otto Lehmann estate on Rte. 59 where they gave first aid to a Chicago doctor and two boys who were victims of a sail boat capsized early Tuesday afternoon.

Dr. Charles Meyers, 40, of 1800 W. Jackson Blvd., Chicago; Richard Oliver, 22, of 1021 Rush St., Chicago, and his brother, Charles, aged 17, of the same address, were about 800 feet from shore when in making a sudden turn their sail boat overturned.

The three managed to hold onto the boat and after a half hour the doctor decided to swim to shore to get aid for the other two. Because of the rough waters he was so exhausted when he gained the beach that he was unable to move. He was found there by William Gramel, a caretaker on the Lehmann estate, who carried him to the Lehmann house.

Two unidentified men in a motor launch brought the boys to shore after they had been in the water for about two hours.

Dr. Irving L. Breakstone was called by the squad and he had them remove Dr. Meyers to his summer home a short distance away at the Buena subdivision after noting that his condition was improving.

The squad was called at 3:05 p. m. and it was estimated that the sailboat capsized about 1 p. m.

Waukegan Rental Office Moved to New Quarters

The Waukegan office of the Chicago Defense Rental area has been moved from the new postoffice building to the second floor of the old postoffice building at 325 W. Washington-St.

The same hours for interviews—9 a. m. to 1 p. m.—will prevail at the new quarters. Norman Nicholson, manager, said.

Wages and Costs

"American labor has a natural interest in the relationship of wages and costs," says the New York Times editorially. "It has a right to set its sights on a steadily higher standard of living, and it will be a bad day for the country if it ever loses sight of that objective. But the shortest and straightest road to this goal does not lie through sharp wage increases, if unaccompanied by an increase of output, for this merely brings higher prices to consumers, and wage-earners are themselves consumers. The right method is increased production, through higher skill, better work and the aid of modern industrial science."

The Times' editorial was occasioned by a report from Detroit that the CIO and the United Automobile Workers "have abandoned any thought of new wage increases in favor of an all-out effort to preserve the present purchasing power of the dollar....The UAW has decided, in concert with the CIO, that to make a fresh wage demand at this time might set an inflationary spiral in motion."

This is the very heart of the labor-wage controversy. Ever-increasing wages without a relative increase in productivity can benefit no one in the long run. Every general rise in prices further reduces labor's "take home" pay. It is good to know that some important labor groups are apparently recognizing this. It is time all labor understood it as well.

Plenty of Red Tape

In report number 10, seventy-eighth Congress, of a committee headed by then Senator Truman, this observation was made: "It is the job of government to devise rules of the road, but not to tell the driver where he must travel."

That principle is as sound now as on the day some years ago when it was written. The whole system of democratic government depends upon government being an umpire, not a player in the game. The government devises laws and regulations to prevent dishonesty, misrepresentation, combinations in restraint of trade, and similar practices. Then, within those laws and regulations, the players play the game of business as best they can.

The incredible economic and social progress made by our people since the Revolution is the result of that philosophy. It is the mainstay of open competition. It is the stimulus which drives men to take chances, to develop new products, to go ahead. And, most important, it is the basic guarantee of individual freedom.

It is apparent to anyone that government has moved far away from that principle. Government has made itself player as well as umpire. And enterprise, American enterprise, finds itself chained and frustrated.

The agonizing delays in reconversion to peacetime production are largely the consequence of too much government. Any man who tries to start a business, build a home, or buy a piece of war surplus equipment knows what happens. The red tape is in abundance—and everything else is scarce. When will the American people, for the sake of the future, force a change?

* * *

Individual Initiative Paves the Way

A recent issue of Colliers' tells of the medical care system established in an extremely remote section of Kentucky. There are virtually no roads, and nurses travel almost entirely by horseback. Often weather conditions are extremely bad. Supplies must be carried on backs and in saddlebags. But the people of the section, all of whom are poor, receive fine medical attention and the health records prove it. Hospital facilities are available in towns when needed. Part of the cost is paid by individual subscriptions. Part is paid by patients. The basic fee is only a dollar a year, and people who are too poor to pay even this can make it up in work or produce.

Throughout the nation, ideas such as this have come into being. In every case they began when an individual saw a need—and acted. They aren't hampered by the red tape which would inevitably result if a government bureau had charge of the work. And they get the job done.

In urban localities, and in many rural areas as well, the problem of medical care has been solved by the voluntary pre-payment system, whereby individuals buy what amounts to insurance on a monthly basis. If illness comes, all attention required is furnished—and a doctor of the patient's own choice takes charge of the case. Again, there is no regimentation, no politics in medicine.

This is the sound, American way to meet the health problem. Grandiose, incredibly costly schemes for socialized medicine would take the incentive away from the doctor. They would stultify the practice of medicine with the dead hand of the bureaucrat. And in the long run, the national health would suffer.

Millburn Unit of Home Bureau will meet at the home of Mrs. Avery Vose Friday, Sept. 20, with County Home Adviser, Mrs. Helen J. Volk giving the major lesson "Adapting Ready to Wear Clothing to the Individuals" and the minor lesson "Making Leather Gloves."

Paint Garden Furniture
Paint garden furniture against summer storms. Heavily coat leg ends by dunking them into a can of paint two or three times, letting them dry between dunkings.

MILLBURN

Next Sunday Rev. L. H. Messersmith will present another sermon in the series "The Predicament of Modern Man and his topic for this sermon on Sept. 15 will be on "The Impotence of Ethics."

The Millburn Men's club met at the church Monday evening with 38 present for the dinner at eight o'clock by a committee from the Mylo club.

The third annual conference of young people of the Pilgrim Fellowship of Lake County was held at Camp Hastings from Friday afternoon until Sunday evening with thirty young people attending from Grayslake, Mundelein, Ivanhoe and Millburn. Counsellors were Rev. and Mrs. Messersmith, Rev. Lincoln Reed, of Grayslake, Rev. T. S. Sampson, of Mundelein and Rev. Leslie Chapman of Waukegan.

Mr. John Clark, of West Lebanon, Ind., is visiting at the home of his son, H. M. Clark.

Thirty-eight young people of the C. E. Society honored Patricia Hairrell and Elmer Hauser at a miscellaneous shower at the W. C. Upton home Friday evening with Mrs. Don Truax co-hostess with Carol Upton. The marriage of Miss Hairrell and Mr. Hauser will take place in Waukegan at 8 o'clock on Sept. 28.

Mr. and Mrs. Ray Hauser and son, Jimmy, of Lake Villa, were dinner guests at the Frank Hauser home Sunday.

Miss Vivien Bonner, Mrs. Leslie Bonner, and Mrs. Gordon Bonner, also Mrs. S. W. Ames, of Gurnee, were guests for dinner at the home of their aunt, Mrs. Mina Gilbert, in Waukegan, Wednesday in honor of the latter's 86th birthday anniversary.

Miss Jean Hughes, third daughter of Mr. and Mrs. A. G. Hughes, left Friday for Kansas City, where she will start training as a stewardess for the TWA.

Mr. and Mrs. Leslie Bonner were callers at the home of their cousins, Mr. and Mrs. Ross Stewart, in Morgan Park, Sunday afternoon.

Mrs. Lena McDonald, of New Lisbon, Wis., was a guest at the home of her cousins, the Horace Culver family, from Wednesday until Saturday.

Mrs. Peter Tillieh spent Tuesday with her daughter, Mrs. Eva Hellstein in Chicago.

Mrs. Avery Vose and Mrs. Frank Edwards, president and vice-president respectively of Millburn unit of Home Bureau attended a luncheon and meeting of the Advisory Council of Lake County Home Bureau at the home of Mrs. William Alkofer in Grayslake Monday afternoon.

Miss Patricia Arney, of Hinsdale, spent the weekend with Miss Thelma Clark.

Members of the church board and their wives will be entertained at the home of Mr. and Mrs. Theodore Engle at Wadsworth Thursday evening.

A Better Method

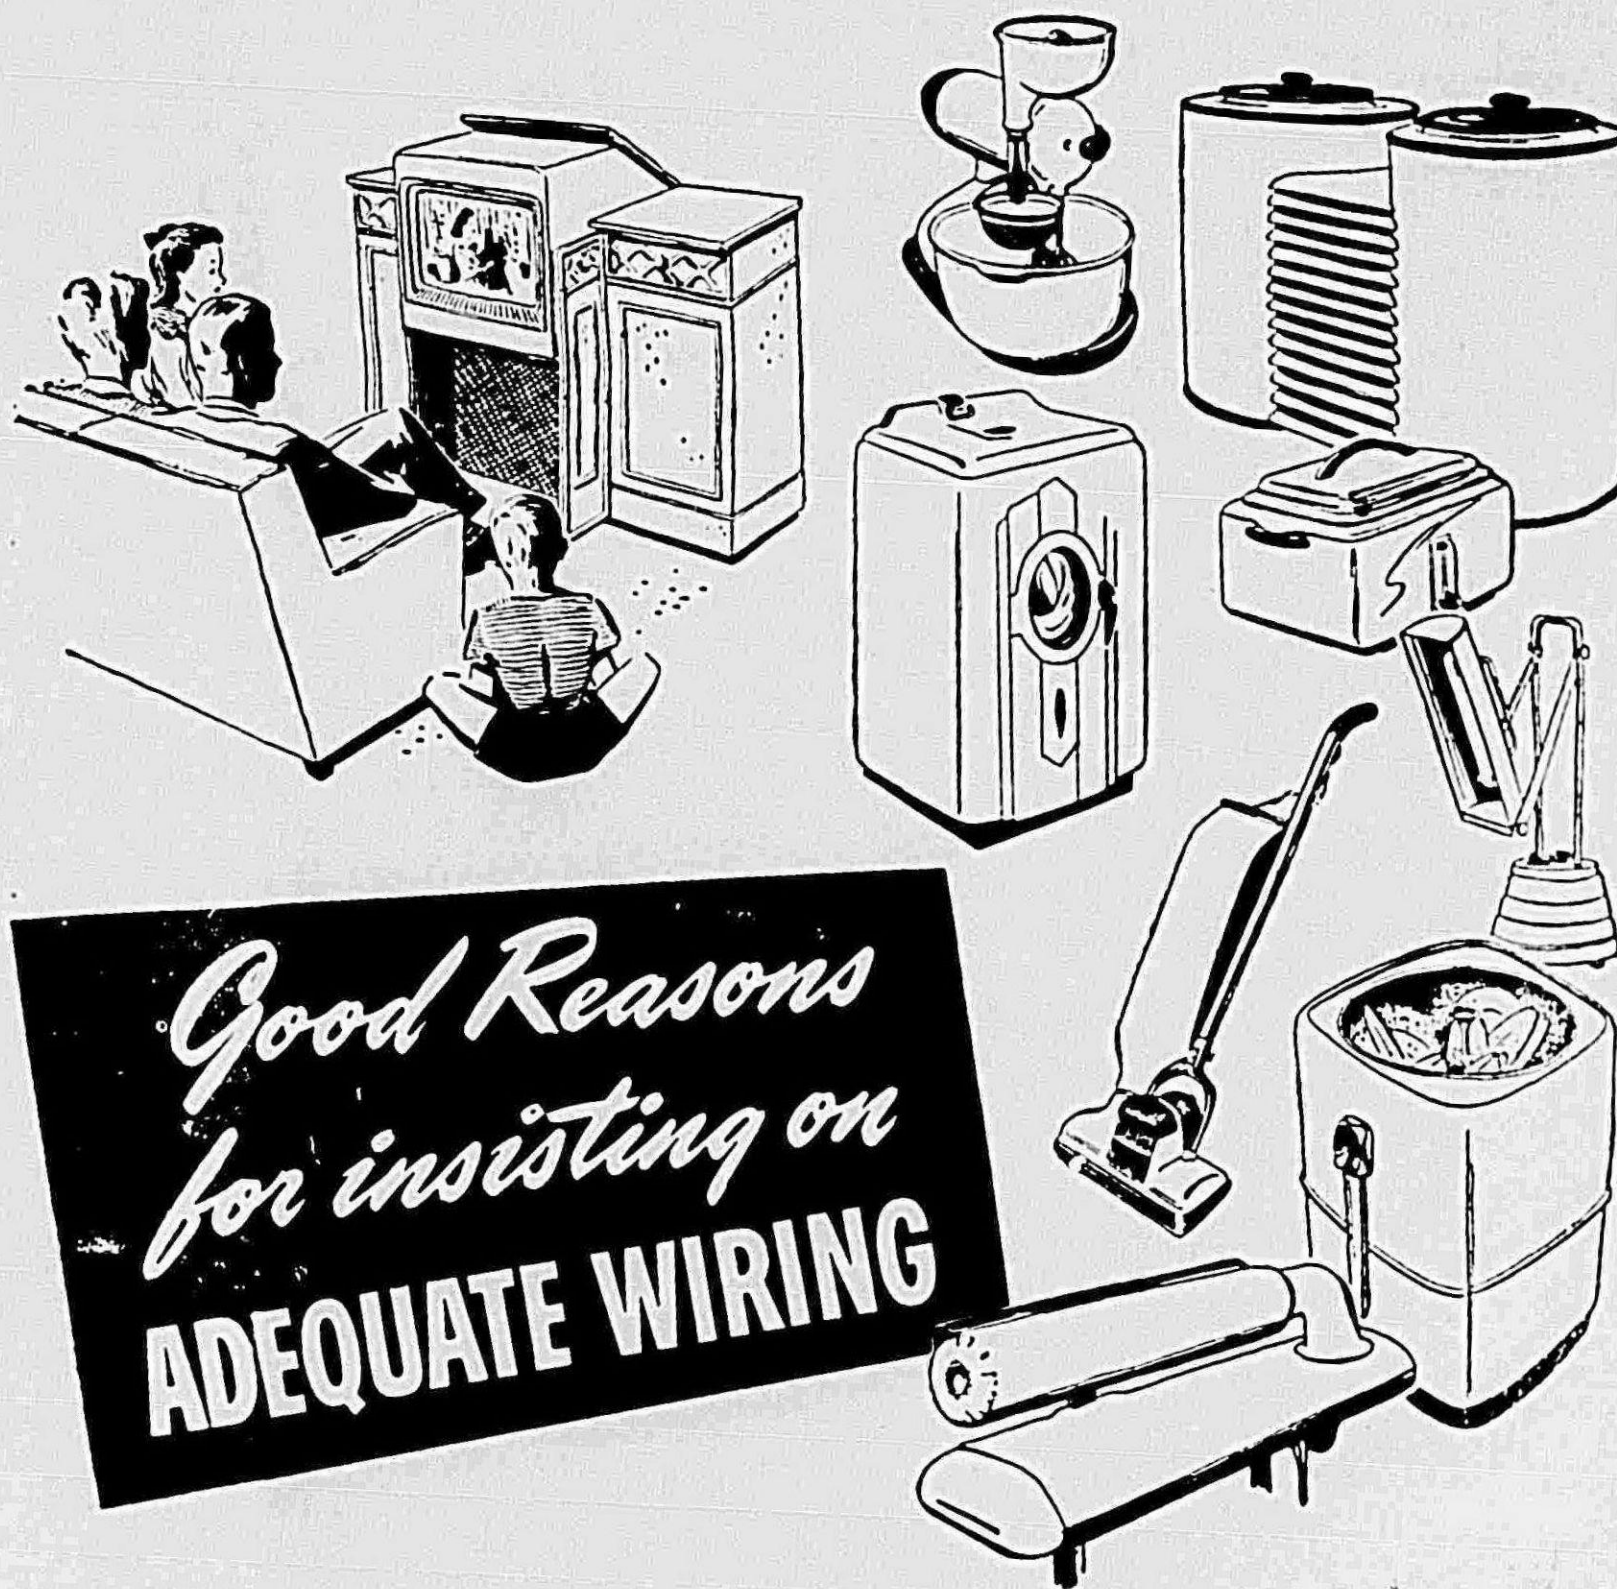

YOU CANNOT deposit your buildings, household goods, automobile or merchandise in the bank! But you can protect your investment in all these valuables by insuring them. There is no safeguard more effective than a policy issued by a strong dependable insurance company.

Antioch

You'll probably want every one of these appliances in the new home you are building... but, unless you plan now for adequate wiring, you won't be able to enjoy them!

The best time to get adequate wiring is during the period of construction. That's why it is important to check with your contractor to be sure the wiring plans for your new home are adequate before you start to build. When you get adequate wiring you avoid unsightly extension cords, dimming lights, and "loafing" appliances.

With adequate wiring you'll have circuits enough to supply abundant electric-

ity for all your present appliances as well as for those soon coming your way. And, you'll have plenty of convenience outlets where you can "plug them in."

Be sure to plan now to have adequate wiring in your new home. Our Home Building representative will be glad to help you plan so you will have adequate wiring in your home, or you can consult your electric contractor.

PUBLIC SERVICE COMPANY OF NORTHERN ILLINOIS

WILMOT

Mr. and Mrs. Harold Bennett, Sturtevant, spent Sunday with Mr. and Mrs. W. R. Schenning.

Mr. and Mrs. Charles Whitcher and children, Bristol, were Sunday afternoon guests of Mr. and Mrs. Gus Neumann. Mr. and Mrs. Edwin Parke Barrington, spent the weekend at Neumann's.

Deloris and Helen Feldkamp, Kenosha, called on Mrs. George Feldkamp.

Mrs. Hattie Pacey spent from Saturday to Thursday with Mr. and Mrs. Floyd Pacey in Kenosha.

Mr. and Mrs. John Ehler are spending this week in Chicago with relatives. Mr. and Mrs. Russell Ehler and children are caring for their home and farm in their absence.

Mr. and Mrs. Winn Peterson were weekend guests at the home of Mr. and Mrs. Ray Kinreed at Belvidere. Mr. and Mrs. William Maxey, Evanston, Betty Vincent, Milwaukee, spent the first of the week with Mr. and Mrs. Henry Vincent.

Eunice Stoxen and Betty Wyzinski, of Two Rivers, both students at the Whitewater State Teachers College, spent the weekend with Mr. and Mrs. Ray Stoxen. Sunday afternoon the Stoxen family and their guest were entertained at the home of Mr. and Mrs. Lester Dix, of Salem.

Sgt. Ray Stoxen has notified his parents, Mr. and Mrs. Ray Stoxen that he has left the dispersal center in Japan for the United States. Ardys Hegeman started teaching vocal music in the Burlington city schools on Thursday.

The Wilmot Graded school will start Monday, September 16th. Will Cole returned Saturday from Madison, where he had been a patient at the Madison General hospital.

Mr. and Mrs. Tom Anderson, of Long Beach, Calif., Mrs. Dean Ewing and Mrs. Lou Cole, of Crystal Lake, were guests Thursday of Mr. and Mrs. Frank Kruckman. The Andersons were leaving by motor for Mississippi and California the last of the week.

Mr. and Mrs. Edward Boulden, Edison Park, were guests Sunday of Mr. and Mrs. Paul Ganzlin.

Mrs. Roy Swartz is chairman for the Mothers Club card party scheduled for Tuesday evening, Sept. 17, at the Wilmot Graded school.

Rev. Rudolf Otto spoke Sunday afternoon at the Mission festival at the Slades Corners Lutheran church. Rev. and Mrs. Otto and children were guests of Rev. A. Lorenz.

Peace Lutheran church Sunday services, Sept. 15, Sunday school at 9:10, worship at 10:00. Monday, Sept. 16 at 8:00 o'clock the Young People's society will meet at the church hall. Wednesday, Sept. 18 instructions for confirmation will start in the church school. They will be held at 4:15 every Monday, Wednesday and Friday afternoon.

Formerly Chicago Loop for 25 yrs.

Here's what we've done since V-J Day

Added 197,000 telephones—almost double the previous record gain for any similar period.

Installed enough central office equipment—despite serious material shortages—to serve a city as large as Peoria, Rockford, Springfield, Decatur and Champaign combined.

Placed in service 205,000 miles of wire, mostly in cable.

Added 9,000 employees—a 30% increase over the total force we had on V-J Day.

Spent over \$41,000,000 on new construction and improvement.

and all this is only the beginning!

Now, we're well into our \$160,000,000 construction and improvement program. We're bending all our energies toward completion of this huge project.

In spite of disturbed conditions that have slowed down our equipment supply we're making steady progress. And we won't rest until we have

enough telephone lines, central office equipment, instruments and the thousand-and-one other items that are necessary to provide you with the best and fastest telephone service that you have ever had.

As we were saying-----

By Jack and Louie

Howdy Folks: You know the awkward age of a kid is when he's too old to cry and too young to swear.

And some one has said that a baby is an elementary canal with a loud voice in one end and no sense of responsibility on the other.

Note to Parents

There's no truth to the rumor that your son will turn out to be a carpenter if you send him to a boarding school.

One of our friends has a new baby that he calls the "Prince of Walls."

He admits he's proud of the little rascal, but as he says there were a lot of other things he needed worse.

When you need cleaning done we'd like to have you drop in or call us.

It's a guaranteed value.

SOCIETY EVENTS

Mr. and Mrs. George Bacon and Mrs. Lester Nelson arrived home Tuesday after spending a week in Cincinnati, Ohio, at the home of Mr. and Mrs. Ray Schafer.

Mr. and Mrs. Hunter and their son and wife, Mr. and Mrs. Lester Hunter, of Collins Center, New York, are the guests of Mr. and Mrs. Elmer Hunter and other relatives in Antioch this week.

Mrs. Fred Gelbert, of Brackville, Ont., is spending a few days with her sister, Mrs. George Bacon.

Myrtle Hardtke, Stanley, Wis., spent a few days this week with Mrs. Eleanor Horton.

Guild To Have Card Party
The Ladies Guild will have a card party at the home of Mrs. John Horan at 2 p. m., Thursday, Sept. 19.

No Wesley Circle Meeting
There will be no meeting this month of Wesley circle.

Appeal Made for Helpers To Save Cranberry Crop Made by County Plant

An appeal for immediate help in handling the cranberry crop which is several weeks early due to frost and dry weather has been made by Cranberry Canners, Inc., of North Chicago.

Where but 3,000 barrels of cranberries are usually handled in September the amount this year will be 23,000 barrels, according to M. M. Havey, manager. The plant will start operation Monday.

Change of the name of Cranberry Canners to National Cranberry Association was announced this week. The change is the result of a merger of two cooperative cranberry companies, one handling the processing and the other bulk sales of the whole berry.

Following Leader
The safest distance at which to follow another car is one car-length for each 10 miles of speed. At 30 miles an hour, for example, the safe "following" distance would be three car-lengths.

Raisin Custard
To give raisin custard extra flavor, simmer raisins a few moments in a few tablespoons of sherry. Drain, dust the raisins with flour and add to custard mixture.

Clean Gloves
Gloves that have been cleaned once should never be washed at home; the dry cleaning solution removes the natural oil, and soap and water stiffen the leather.

Blinking Varies
Rate of blinking of the eyes varies greatly from person to person. Some people blink their eyes only a couple of times a minute; others as much as 30 times.

Lees Were Fighters
Gen. Robert E. Lee, leader of the Confederate forces in the Civil war, was the son of Gen. Light Horse Harry Lee of Revolutionary war fame.

Grand Canyon
The Grand Canyon of the Colorado river is 278 miles long. At one point it is 13 miles wide and nearly 6,000 feet deep.

Close-Fitting Cover
A close fitting cover is essential for many cooking processes, so buying a pan and cover together is often worth the extra money.

Light Gas
Helium, second lightest gas, weighs one-seventh as much as air. In equal quantity, hydrogen will lift 100 pounds to 100 for helium.

U. S. Diet
Bread and other cereal foods provide about 25 per cent of the total calories and proteins in the U. S. diet.

Free Patents
Benjamin Franklin made no money from his inventions. He believed they should be contributed to the public, and refused patents.

Transparent Membrane
Snakes have a protective storm window over their eyes—a transparent membrane which saves the organ from scratches and injuries.

Abolish Self-Cremation
Suttee, abolished by the British in 1829, was an Indian custom of a widow burning herself on the funeral pyre of her husband.

Lumber Supply
America uses half of its annual lumber supply for construction, the rest for furniture and other manufactured articles.

Ancient Toys
In the stone foundation of a temple in Persia, built in 1100 B. C., jointed toys made with animal glue were discovered.

Whipping Cream
If cream is to be kept after whipping, keep it in the coldest part of the refrigerator.

LAKE VILLA

The Woman's Society of Christian Service will hold its next meeting on Wednesday afternoon, Sept. 18 at the Charles Hamlin home and Mrs. Swanson is assisting hostess. Bring your needle and thread and the ladies will have something for you to do. A social hour will be enjoyed.

October 6 is World-wide Communion Sunday and will be so observed at the Community church and visitors are welcome. The Sunday school will put on their rally day promotion program at the evening service on that date.

Mr. and Mrs. Don Summers are receiving congratulations on the birth of a son at Condell hospital two weeks ago.

The first of the Lake Villa Community Men's Club dinners was held at the school gym on Tuesday evening this week and the business meeting was held.

The fire department was called out last week when a vacant house on the O. W. Lehmann farm near Monaville caught fire and burned to the ground. Cause of the fire is unknown.

Arthur Haley and Walter Schneider returned the first of the week from a fishing trip to Minnesota where they went by plane last week.

Mrs. Marie Hamlin and Mrs. Anna Nader went to Chicago on Sunday and attended the funeral of Mrs. Hamlin's uncle there on Monday. Mrs. Nader remained but Mrs. Hamlin came home on Tuesday.

Mrs. Anna Nader returned last Friday evening from Chippewa Falls, Wis., where she has spent the past three weeks with her daughter, Mrs. Al Almquist, and family.

On Saturday afternoon Rev. Ray Pierson read the marriage service for Miss Dorothy Wilton, of Antioch and George Schmidt in the flower garden of the M. V. Reynolds home in the presence of friends and relatives.

Mr. Frank Sherwood, of Chicago, was guest of Mr. and Mrs. Delbert Sherwood a few days last week and called on friends and relatives.

Mrs. Marie Kelly and son, Edward, of Waukegan, were guests of Mr. and Mrs. Clarence Blumenschein on Sunday.

ENTERTAIN AT SHOWER FOR DOROTHY SPIERING

Mrs. Vera Raney, teacher at the Hickory school, and Mrs. William Nielson were hostesses at a bridal shower in honor of Miss Dorothy Spiering at The Castle, Friday, Sept. 6.

Cards were played and a buffet luncheon was served to the 75 guests. Miss Spiering received many beautiful presents. Her marriage to Lloyd Leable, of Wadsworth, will take place Sept. 28 at St. Ignatius church in Antioch.

Liberation of Pan Fish Started to Stock Streams

The state department of conservation has released nearly eleven million fish in Illinois rivers and streams this season as a part of one of the most extensive stocking programs it has ever conducted. The work is only one-third completed.

Livingston E. Osborne, state director of conservation, says most of the fish thus far released are walleyed pike which have been distributed in eight localities in northern Illinois, the only region in the state where pike do well. About 52,000 trout have been stocked in streams in eleven northern counties. Liberation of pan-fish has only just started, Osborne says, as 90 per cent of this kind of fish are released in the fall.

Fact

and
Scripture

The necessities of life must also include the necessities of spiritual welfare.

"that he might make thee know that man doth not live by bread only, but by every word that proceedeth out of the mouth of the Lord doth man live."

Deut. 8:3

"And Jesus said unto them, I am the bread of life: he that cometh to me shall never hunger; and he that believeth on me shall never thirst."

John 6:35

Emanuel Thiele

Ripening Cantaloupes

Cantaloupes will not tolerate frost and develop best at high temperatures. Low relative humidity of the air has been reported to favor thick netting and solid flesh. Plenty of sunshine is required for good flavor and high sugar content. For any variety, late ripening is associated with low temperatures and early ripening with high temperatures. Records show that a daily accumulation of 2500 degrees above 50 degrees Fahrenheit is necessary for ripening. This usually occurs in the spring from May 20 to June 10.

Save Energy

Try to place everything within easy reach and avoid muscle wrenches and strains. When you must reach for something on a high shelf, you will save your energy if you will take time to get a footstool so that you won't have to stretch beyond your reach. Instead of carrying the basket of clothes when you hang them on the line, pull the basket around in your little boy's wagon, or use a laundry cart with wheels on it.

Nuts Nutritious

Nuts are high in protein, so that they can alternate at times for meat in a main dish, such as nut loaf. They also provide B vitamins—especially thiamine—and a little iron and calcium. But as far as nutrition is concerned nuts are most effectively used to supply some of the needed fat in meals.

Without a Flag

Soldiers who fought in the American revolution did not fight under the stars and stripes. There was no official authorization for the national flag of the United States until 1779, so a miscellaneous assortment of flags issued by different states or donated by individuals were carried during the Revolutionary war.

Wash Chandelier

If there is a chandelier in your living room, don't forget occasionally to wash it. A sponge is especially good for this job, because it reaches into cracks and crevices, yet without causing damage from too much water, and it is helpful to keep an old toothbrush handy for this purpose, too.

Pacific Salmon

Pacific salmon are the most valuable fishery resource belonging to the United States. They yield around 600 million pounds of fish a year. About 85 per cent of the salmon is then canned. The balance is sold fresh, frozen, smoked or cured.

Shrinking Cellophane

Cellophane on a new lampshade should be removed as soon as the lamp is used, else the heat from the bulb will shrink the cellophane and bend the frame of the lampshade.

Forest Land

The largest single owner of American forest land is the federal government. The average farmer has 25 acres of woodland, which is enough to grow lumber for a six-room house annually.

Game Fat

There is little fat on small game meat, so if you plan to freeze your game, wrap it carefully before you put it in your freezer to keep it from drying out.

Biscuit Raising

Leave a space of two-thirds of an inch apart between yeast buns, baking powder or soda biscuits, and cinnamon rolls when placing them in pans. This gives them room for expansion during raising and baking.

Poison Gas

Never operate a gasoline engine in a closed place unless the exhaust is piped out of doors. Open shed doors before starting the truck, car or tractor.

Boardwalk to Moon

The lumber used in the United States in one year, 30 billion board feet, would make a board walk 30 feet wide, and an inch thick, reaching to the moon.

Licensed Drivers

There are more than 40 million licensed automobile drivers in the United States and they spend an average of six to eight hours a week in operating their cars.

South American Population

The population of all the Latin American countries combined is almost as large as that of the United States.

Handy Brush

Keep a small hand brush, bristle side up, in the soap dish. Keep soap on top of the brush, and when used, it will already be full of soap.

Theater-Goers

Each week more than 100 million persons spend an average of two or more hours in motion picture theaters.

Shines Piano Keys

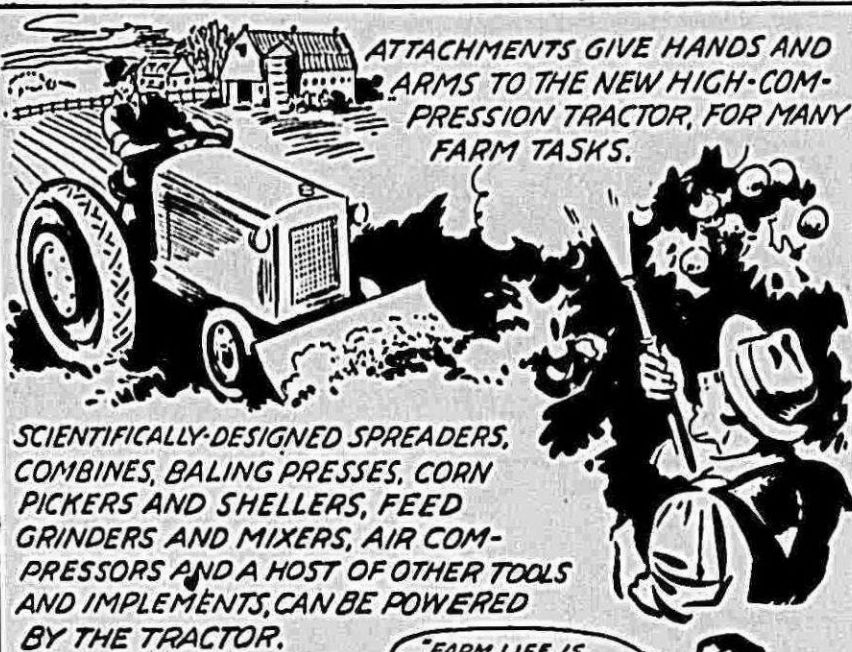

Denatured or wood alcohol leaves piano keys white; water yellows them.

Build Up Vitamin

Collards, mustard and turnip greens can help the family build up a supply of vitamin A.

Big Game

One-third of all the big game animals in the United States are found on national forest land.

IT TAKES 627 LBS. OF HYDRAULIC PRESSURE TO CRACK BLACK WALNUTS AT HARVEST TIME

THE TOTAL FOR ALL FEDERAL INCOME TAX COLLECTIONS IN 1945 SET A NEW HIGH OF \$34,357,010,087.73

Uncle Sam Says**Tomatoes Popular**

Nine out of ten gardeners grow tomatoes, a crop that yields well, takes no great amount of space, is easy to cultivate and harvest, and is adapted to canning and storage for year round use.

Some Speed Record

Pony men of the Pony Express used to travel from Missouri to California in 10 days.

Maple Syrup

An average maple sugar tree yields about 15 gallons of sap; 45 to 50 gallons are needed to make one gallon of syrup.

Corn Meal

Fresh yellow corn meal, stone or machine ground, is a good source of vitamin A, a value missing in white corn.

Small Potato

A small potato has food value just about equal to a slice of bread and the potato has vitamin C, an important nutrient.

Old Universities

The oldest universities in the Western hemisphere were founded in Mexico and Peru in 1551.

Buffalo Hides

Buffalo hides make excellent robes, gloves and other articles of clothing.

Flour Storage

Flour kept in the usual room temperatures for too long may become infested with weevils.

Tourist Trade

In a recent bulletin, Pennsylvania placed a value of \$340,000,000 a year on its tourist business.

Tree Cavities

Cavities in fruit trees should be screened or plugged as a codling moth control measure.

Fungus Etching

In tropical regions there is a fungus capable of etching glass.

Draw Back Eyes

Some animals can draw their eyes back into their sockets.

Uncle Sam Says

No farmer will question the link between this familiar September scene of filling up the silo and his United States Savings Bonds. Farmers must reckon with the future every moment of their lives. The crushed green corn stalks which they are storing away this month by tons will assure their livestock of winter feed. The Savings Bonds which they are also storing up will add to the security of their families.

Cow Testing

The first cow testing association in New York (now called dairy herd improvement association) was started in Tompkins county, May 1, 1908.

Stock Need Salt

A lack of salt in livestock rations cost farmers large sums of money each year in loss of potential gains in weight.

Conservation Pays

Actual comparisons on 160-acre farms showed that those with conservation practices returned \$720 a year above the non-conservation system of farming.

Energy Source

Coal provides 70 per cent of all the energy produced in America. Natural oil and natural gas provide 25 per cent and water power accounts for only 5 per cent.

Transit System

The nation's transit systems employ more than 242,000 people to operate and maintain their street cars, subways, trackless trolley coaches and gas buses.

Soft Cookies

Soft cookies will stay soft if they are placed in an earthen jar for storage just before they are cold. Cover tightly.

Good Whipping

Egg whites whip best when they are at room temperature—that is about 70 degrees F., but cream whips best when cold, according to the department of agriculture.

SALEM

Olive M. Hope

A number of relatives from this vicinity were at Green Bay, Wis., to attend the wedding of Miss Betty Russell Saturday morning. The bride is a daughter of Mr. and Mrs. E. L. Russell, of Green Bay, and a niece of Mrs. Flora Malloy of this village. Attending from Salem were Mr. Thomas Husband, Mr. and Mrs. Ed Conley and family, Mr. and Mrs. Charles Miller and Mrs. Helen Applegate.

Mr. and Mrs. M. E. Raditz, Sr., have returned from a 1600 mile auto trip which included the Smokey Mountain area.

Mr. and Mrs. Byron Patrick left during the weekend for a vacation in the vicinity of Rhinelander, Wis.

Sunday visitors at the home of Mr. and Mrs. M. W. Bloss were Mrs. Arthur Bloss, Sr., Mrs. Fred Head, Mr. and Mrs. Arthur Bloss, Jr., and children, and Mr. and Mrs. Lawrence Fleming and family, of Chicago.

Robert Manning has returned from Sheboygan, Wis., where he and his mother, Mrs. E. T. Manning, were visiting.

Mr. and Mrs. Frank Dixon left Monday for a brief visit at Griffith, Ind., with Mrs. Nellie Pierce and Mr. and Mrs. Joseph Kneer.

The Rev. and Mrs. Dale Jennings have returned from a week's sojourn at Appleton and Ripon, Wis.

Mr. and Mrs. Andrew Manning who are here from Tujunga, Calif., are visiting relatives in Ohio for a few days.

Mr. and Mrs. Louis Slamar, Jr., returned this weekend from a week's vacation in northern Wisconsin and Minnesota. They were accompanied by the former's parents, Mr. and Mrs. Louis Slamar, Sr., Miss Emily Slamar and Miss Kathryn Slamar. Miss Emily stopped off at Menominee, Wis., where she is a student at Stout Institute.

Mr. and Mrs. Carleton Karnes and children were here from Chicago during the weekend at the Harry Krahn home. Mrs. Krahn and Mrs. Karnes attended a shower honoring Miss Doris Karnes at the H. A. Blackburn home in Kenosha.

Mr. and Mrs. M. W. Bloss, their three sons, Jack, Jerry and Michael, drove to Chicago Saturday evening, taking with them Mrs. Anna Thompson and daughter, Jeannette, who will make an indefinite stay at the Fred Cornell home.

Beverage Bill

In 1945 the American people spent an all-time record-high of \$7,800,000,000 for intoxicating beverages, says a report of the treasury department. That is equivalent to an average of more than \$200, or about \$4 a week, for every man between 20 and 60 years of age in our entire population.

Egg Protein

Eggs provide protein in the top class with foods like meat and milk for building and repair of body tissue; iron for red blood cells and phosphorus and some other minerals; vitamins A and D, and B vitamins—thiamine, riboflavin and niacin.

Paper an Insulator

Do not store food wrapped in paper in the refrigerator, for the paper acts as insulation and slows the cooling of food.

Delinquent Special Assessments

VILLAGE OF ANTIOCH
LAKE COUNTY, ILLINOIS
STATE OF ILLINOIS
COUNTY OF LAKE
VILLAGE OF ANTIOCH } ss.

To the owner or owners of lands, lots, and real property situated in the Village of Antioch, Lake County, Illinois, hereinafter listed and described:

Public notice is hereby given that on September 12, 1946 a return will be made to Gustaf H. Fredbeck, County Treasurer, Ex-officio County Collector of the County of Lake and State of Illinois, being the general officer of said County of Lake having authority to receive State and County taxes, of all unpaid special assessments or installments thereof, matured and payable, or interest thereon with interest due to the preceding January 2nd on all installments not yet matured in the hands of the undersigned upon delinquent lands, town lots and real property, hereinafter listed and described. Take notice that such general officer on September 25, 1946 before the County Court of Lake County, Illinois, in the court room in the Court House in the City of Waukegan, in said County and State, will make application for judgment against the said lands, town lots and real property hereinafter described, for the amount of said special assessments, matured installments of Special Assessments, interest and costs due thereon and for an order to sell said lands, town lots, and real property for the satisfaction thereof.

Take notice further that the said Gustaf H. Fredbeck, County Treasurer and ex-officio County Collector for the County of Lake and State of Illinois, will on the second Monday succeeding the date on which judgment will be taken, to-wit: the 14th day of October, A. D. 1946, offer and expose to the Public Sale at the Court House in the City of Waukegan, Lake County, Illinois, all or such portion or portions of the property hereinafter described for the amount of Special Assessments and matured installments of Special Assessments, interest and costs due thereon for which judgment shall have been taken and shall then remain unsatisfied. Such sale shall commence at the hour of 9 o'clock A. M. Central Standard Time, on the 14th day of October, 1946, and will continue from day to day until the same shall be completed. If for any cause such judgment shall not be rendered on said 25th day of September, 1946, then such sale shall commence on the second Monday after such judgment shall be rendered.

A list of all such delinquent lands, town lots and real property upon which the Special Assessments or installments thereof remain unpaid with the names of the owners, if known, the total amount due thereon, the year or years for which the same are due, is as follows:

STATE OF ILLINOIS } ss.

COUNTY OF LAKE

I do hereby certify that I am duly appointed, acting and qualified

Village Collector of the Village of Antioch, in the County of Lake and

State of Illinois, and as such the keeper of the records of said office and

that the foregoing is a true and accurate list of the delinquent lands, town

lots and real property upon which the special assessments or installments

thereof, matured and payable, or interest thereon or interest due to the

preceding January 2nd, on installments not yet matured, remain unpaid, the

names of the owners, if known, the total amount due thereon and the

year or years for which the same are due as it appears from the books

and records in my possession and custody.

Dated at Antioch, Illinois, this 3rd day of September, A. D. 1946

Signed Roy L. Murrie

HICKORY

(Written for last week)

Albert Smith and friend of Philadelphia, came home for a visit this weekend.

Milton Smith was home for the weekend.

The Bert Edwards family were all home on Saturday and Sunday for the first time in several years. The Homer Edwards family, from West Virginia, the Ward Edwards family, from Rockford; Mr. and Mrs. Harold Edwards, from Madison, Wis.; Mr. and Mrs. Robert Taylor, from Rock Lake; Norman, from West Virginia; and Miss Doris at home.

Mrs. C. F. Spiering and Miss Dorothy and Mrs. Wm. Nielsen were Chicago visitors on Tuesday, Sept. 3rd. Harrie Tillotson and Wilbur Hunter spent Sunday at the Elkhorn fair. Lt. and Mrs. Wm. L. Strahan, of Glenview, left on Sunday for Long Island, New York, where Lt. Strahan has been assigned temporary additional duty.

Mr. and Mrs. Chris Paulsen spent Thursday in Chicago.

Mrs. E. W. King and Mrs. G. A. Lange and children, Barbara and John, of Hebron, drove to Rockford last Thursday and visited the Bert King family, who live near there.

Miss Caryl Tillotson, of Rochelle, visited a friend at South Milwaukee, Saturday and Sunday. Her father, H. A. Tillotson drove to So. Milwaukee Monday morning and she returned with him to stay home until Tuesday morning.

Mr. and Mrs. Rod Ames have moved into their new home on Route 173 at Rosecrans.

On Sunday 16 relatives surprised Mr. and Mrs. E. W. King with a pot luck dinner at noon.

Mrs. Eddie Van Patten, Mrs. Wm. Gerber and Mrs. Russell Stearns spent Friday afternoon in Kenosha. Mrs. George McNeil and son, Terry, of Kenosha, spent Monday with Mrs. Fred Leable.

Mr. and Mrs. O. L. Hollenbeck, of Millburn, and Mr. and Mrs. Curtis Wells attended Elkhorn fair together on Sunday.

Mr. and Mrs. George Handley and 2 daughters and Mr. and Mrs. Will Thompson and Miss Helen spent Saturday at the Elkhorn fair.

Gordon Wells and 3 sons attended the Elkhorn fair on Saturday.

Miss Shirley Wells and brothers, Warren and Richard, spent Sunday at the fair.

Mr. and Mrs. Albert Belongia and family were supper guests at the home of Mr. and Mrs. Felix Belongia at Ringwood last Thursday.

Mrs. L. R. Van Patten, Mrs. Eddie Van Patten and son, John, Mrs. Wm. Gerber and son, Jimmie, and Mrs. Wm. Thompson, were Waukegan shoppers on Wednesday.

MILLBURN

(Written for last week)

The Ladies Aid Society will meet at the church Thursday afternoon. A cafeteria supper will be served from five o'clock on by the September Committee with Mrs. W. M. Bonner as chairman, assisted by Mrs. O. L. Hollenbeck, Mrs. Messersmith, Mrs. George Murrie, Mrs. Kenneth Denman, Mrs. Jens Johansson, Beryl Bonner and Mrs. Chris DeYoung.

Rev. Messersmith's sermon topic for Sunday morning, Sept. 8th, will be "The Failure of Power Culture" which is the second in a series of five sermons taken from Dr. Elton Trueblood's book, "The Predicament of Modern Man."

There will be a supper meeting at 8 o'clock of the Millburn Men's club in the church dining room on Sept. 9.

Rev. Messersmith officiated at the marriage of Miss Phyllis McClure, of Gurnee, and Mr. Carl Brown, of Bangor, Pa., held in the First Baptist Church in Waukegan at 3 p. m. on August 31st.

Mr. and Mrs. Eric Anderson and daughter, Rebecca, were guests of Mr. and Mrs. Harry Herrick in St. Olaf, Iowa, Tuesday and Wednesday.

Mr. and Mrs. William Ferry and daughter, Dawnene returned to their home in Detroit, Mich., Sunday. Mrs. Ferry and daughters had spent the summer with her mother, Mrs. Anna Bauman while Mr. Ferry was an instructor at the Music Camp in Interlocken, Mich., for ten weeks.

Rev. L. H. Messersmith officiated at the marriage of George Anderson and Mrs. Margaret Bendery, of Antioch, in Millburn church Monday evening, Sept. 2nd, at 8 o'clock. Mr. Wilbur McKay and Miss Agnes Anderson attended the couple.

Mrs. Mary Dekker and Mr. and Mrs. Henry Dekker and family, of Chicago, were callers at the home of the former's sister, Mrs. J. Kaluf, Friday afternoon.

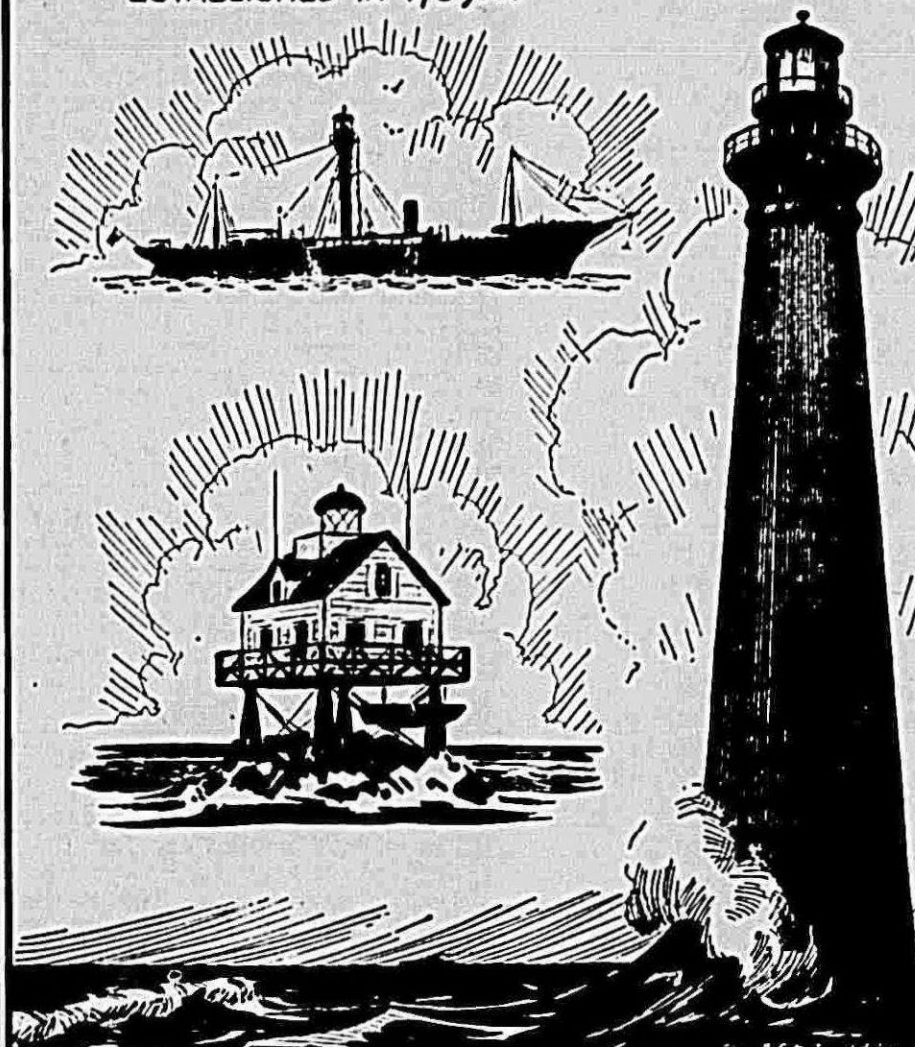

Mr. and Mrs. Orville Hairrell and Mrs. Harry Shank spent several days with Mr. and Mrs. Jasper Spencer in Marion, Ind.

OUR DEMOCRACY

—by Mat

LIGHTING THE WAY

THE FIRST GOVERNMENT PROJECT PROVIDED FOR BY CONGRESS WAS THE LIGHTHOUSE SERVICE, ESTABLISHED IN 1789...

OVER THE YEARS, THE MEN OF THIS SERVICE, WORKING OFTEN IN ISOLATION AND DANGER, HAVE PROVIDED PROTECTION FOR ALL SHIPS ON OUR COASTAL AND INLAND WATERS... TODAY, AS THROUGHOUT OUR HISTORY, THEY MARK THE COURSE OVER WHICH MOVES THE WATERBORN TRADE AND COMMERCE THAT CONTRIBUTES SO LARGELY TO THE PROGRESS AND GROWTH OF OUR DEMOCRACY.

THE POCKETBOOK OF KNOWLEDGE

Mrs. Helen Boekaloo and Mrs. Katherine Luikens, of Kalamazoo, Mich., spent the weekend with their sister, Mrs. Philip Boller.

Mr. and Mrs. Marshall Kimball returned Sunday evening from a three weeks vacation visiting relatives in Minnesota, covering 2000 miles with their auto on the trip.

Mr. and Mrs. Marc Edwards and son, Larry, of Forest Park, spent the weekend with their mother, Mrs. E. H. Edwards.

Mr. and Mrs. Merrill Taylor, of Chicago, were supper guests at the home of their cousin, Vivien Bonner Monday.

Miss Beryl Bonner attended the McClure-Brown wedding at the First Baptist church at Waukegan Saturday afternoon.

Rev. Messersmith officiated at the marriage of Miss Jean Bonner and Mr. Lester Barker, of Winnetka, at Millburn church Saturday afternoon at 4 o'clock.

Miss Josephine Dodge, of Peoria, was a weekend guest at the Gordon Bonner home and attended the wedding of her cousin, Jean Bonner.

Mr. and Mrs. Roy Bonner and sons spent Sunday and Monday with Mr. and Mrs. A. N. Truax at Elkhorn. Miss Lucille Clark and Clayton Engh were honored with a miscellaneous shower given by the Christian Endeavor Society at the Frank DeYoung home Sunday evening with Mrs. Howard Bonner assisting Mrs. DeYoung as hostess. Miss Clark will become the bride of Mr. Engh in a ceremony at Millburn church on Sept. 21.

Mrs. E. A. Martin accompanied her son, Richard, to Alton, Ill., Monday, where the latter will be an instructor in the Western Military Academy. Mrs. Martin returned by plane to Chicago Tuesday.

HICKORY

Mr. and Mrs. Robert Brooks and daughter, Bonnie, of Waukegan, and Mr. and Mrs. Earl Vanneman, of Zion, were Sunday callers at the Max Irving home.

Mr. and Mrs. Wm. Parsons and son, David, and Mrs. Mollie Robertshaw, of Melrose Park, spent Saturday at the home of Mr. and Mrs. Curtis Wells and Mr. and Mrs. Andrew Magiera.

Mr. and Mrs. Everett Hatfield and Mr. and Mrs. A. F. Swanson attended the Installation of Officers of American Legion held at Grayslake on Thursday night, Aug. 29, and at Gurnee Friday night, Aug. 30.

Warren Wells went to Urbana Saturday. He is on the Judging team.

Mr. and Mrs. Ernest Wieman, of Racine, visited Saturday night and Sunday at the home of their friends, Mr. and Mrs. Bert Edwards.

Mr. and Mrs. C. K. David and son, Cecil, of Hammond, Ind., visited the Wm. Horton home over the Labor Day weekend.

Mr. and Mrs. John Horan and Mr. and Mrs. Al Swenson attended the American Legion Dance held at Viking Home at Gurnee Saturday night.

Raymond Wells went to Chicago Saturday and saw the Cubs play ball.

Mr. and Mrs. Wm. Gerber and son, Jimmie, drove to Watertown, Wis. Saturday afternoon and visited relatives there. On Sunday they attended a reunion of the Gerber family and returned home Monday afternoon.

Mr. and Mrs. Al Swenson and family attended the North Chicago Homecoming celebration Sunday evening.

Aid Flood Control

Forested areas aid in lowering flood stages of rivers, reduce the soil burden of streams and thus lengthen the life of reservoirs by lessening silt accumulation, increase the low-stage flow of streams and promote deep seepage to keep ground water levels. All of these points are of great importance in Illinois.

Put Away Scythes

Put away scythes and sickles immediately after using them; hang them or store them where they cannot be bumped into, tripped on or fallen over.

Eggs Deteriorate

Like other perishable foods, eggs deteriorate rapidly and should be handled like fresh milk or fresh meat.

THANKS..

We wish to express our sincere appreciation to C. R. Keulman and C. Gaffey; the Antioch Township High school board; and all other residents of the region who supported the Legion softball teams during the past season.

Thank you again,

The managers and players of the
Legion Softball Teams.

Combustioneer
AUTOMATIC COAL STOKER
NOW AVAILABLE

Combustioneer's amazing invention — the Automatic Respirator — now makes automatic heat cheaper than hand-firing. The efficiency of the Automatic Respirator is astonishing... It detects... then measures out the precise amount of air required by the fire-bed for complete combustion at all times. Thus all volatile gases and carbon particles in the coal are totally consumed. EXTRA heat energy is extracted from every pound of coal. Fuel savings are exceptional. Combustioneer is sized for homes, flats, apartments, hotels and factories.
